

CHINO, CHINO HILLS & SOUTH ONTARIO SPECIAL
Get your 2" or smaller Backflow Prevention Device

Tested for only \$40.00 per unit!

We will test 3 or more backflow prevention devices at one location for \$40.00 per unit. Talk to the other businesses in your complex to coordinate service & Save! Don't have 3 devices to test? Call us anyway. We may already have enough valves in your area to test for the special price.

Call (909) 627-2697

or fill out our convenient internet form @

www.plumb123.com/backflowform.html

Price good for COD cash or check transactions only. During the backflow test, an interruption in water service will occur. Customer must be ready for interruption upon arrival or additional charges may apply.

Subject to change without notice.
